

## Yum China Announces US\$510 Million Share Repurchase Agreements for Second Half of 2025 as Part of Broader Capital Return Plan

5/29/2025

SHANGHAI, May 29, 2025 /PRNewswire/ -- Yum China Holdings, Inc. (the "Company" or "Yum China") (NYSE: YUMC and HKEX: 9987) announced that it has entered into share repurchase agreements in the U.S. and Hong Kong for an aggregate repurchase amount of approximately US\$510 million for the second half of 2025, commencing on July 1, 2025. This represents a 42% increase compared to the share repurchase agreements of US\$360 million announced for the first half of 2025. Assuming a quarterly dividend of US\$0.24 per share, the total capital return for 2025 will be at least US\$1.2 billion.

"Yum China is committed to maintaining a dual focus: investing in driving business growth and returning excess capital to shareholders. This approach is supported by our healthy cash position and strong cash generation capabilities. We remain on track to return US\$3 billion to shareholders through dividends and share repurchases from 2025 to 2026, in addition to the US\$1.5 billion delivered in 2024. The average annual amount over the three years is equivalent to approximately 9% of our current market cap," said Joey Wat, CEO of Yum China.

The share repurchase agreements for the second half of 2025 include approximately US\$410 million under the Rule 10b5-1 of the United States Securities Exchange Act of 1934 in the U.S. and approximately HK\$790 million for a similar program in Hong Kong. From 2017 to May 27, 2025, Yum China has returned US\$4.8 billion to shareholders through dividends and share repurchases.

### Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. We intend all forward-looking statements to be covered by the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally can be identified by the fact that they do not relate strictly to historical or current facts and by the use of forward-looking words such as "expect," "expectation," "believe," "anticipate," "may," "could," "intend," "belief," "plan," "estimate," "target," "predict," "project," "likely," "will," "continue," "should," "forecast," "outlook," "commit" or similar terminology. These statements are based on current estimates and assumptions made by us in light of our experience and perception of historical trends, current conditions and expected future developments, as well as other factors that we believe are appropriate and reasonable under the circumstances, but there can be no assurance that such estimates and assumptions will prove to be correct. Forward-looking statements include, without limitation, statements regarding the future strategies, growth, business plans, and dividend and share repurchase plans. Forward-looking statements are not guarantees of performance and are inherently subject to known and unknown risks and uncertainties that are difficult to predict and could cause our actual results or events to differ materially from those indicated by those statements. We cannot assure you that any of our expectations, estimates or assumptions will be achieved. The forward-looking statements included in this press release are only made as of the date of this press release, and we disclaim any obligation to publicly update any forward-looking statement to reflect subsequent events or circumstances, except as required by law. Numerous factors could cause our actual results or events to differ materially from those expressed or implied by forward-looking statements. Our plan of capital returns to shareholders is based on current expectations, which may change based on market conditions, capital needs or otherwise. In addition, other risks and uncertainties not presently known to us or that we currently believe to be immaterial could affect the accuracy of any such forward-looking statements. All forward-looking statements should be evaluated with the understanding of their inherent uncertainty. You should consult our filings with the Securities and Exchange Commission (including the information set forth under the captions "Risk Factor" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q) for additional detail about factors that could affect our financial and other results.
