

肯德基 DoubleDown

KFC's New "DoubleDown" Burger

欢迎光临肯德基！

Welcome to KFC, how may I help you?

我要一个大风浪。

Give me one of those "Dafenglang"

大风浪？

Dafenglang?

就那个没有面包的大风浪！

Yeah, one of those burgers with no buns!

不是大风浪，它是 Double Down（肯德基肉霸堡）！两大块香辣鸡腿排霸占堡顶堡底，过足肉瘾。

Not "Dafenglang", that's a DoubleDown! With two mouthwatering filets of spicy fried chicken thighs, the DoubleDown burger can satisfy all your meat cravings!

肯德基全新 DoubleDown，没有面包的新汉堡！

KFC's brand-new DoubleDown, The New No-bun Burger
