今儿！咱们唠唠整鸡架！

Let's talk about the whole chicken rack today!

这整鸡架，该咋整啊？

How should we handle the whole chicken rack?

三个步骤：一掰，二啃，三嗦勒！

Three steps: First, break it apart; second, nibble on it; third, lick it!

第一步 —— 「掰」：上手把整个鸡架咔咔给它掰开

Step 1 - "Break": Break the whole chicken rack into parts.

这掰的时候，手法也老讲究。

Technique is crucial when breaking it apart.

掰太大不好下嘴，掰太碎吃不过瘾，听上去是不是挺难的？

Breaking it too big makes it tricky to eat; breaking it too small isn't as fulfilling. Does it sound challenging?

没事儿，多吃就明白了

Don't worry, you'll catch on after having a few more bites.

掰好了，咱就开整第二步

Once it is broken into parts, let's move on to the second step.

第二步 —— 「啃」：虽然这叫整鸡架，但在那骨头架子边上可全都是肉！

Step 2 - "Nibble": Although it is called a whole chicken rack, there's meat all over those bones!

啥叫惊喜？鸡架啃的就是惊喜

What is a surprise? Nibbling on the chicken rack is the surprise.

啃完以后，你以为就完事了？还有第三步

After nibbling, do you think it is all done? There is still the third step to go.

第三步 —— 「嗦勒」：鸡架的焦香甜辣，一嗦勒便全能品出来

Step 3 - "Lick": Giving it a lick lets you savor all the crispy, fragrant, sweet and spicy flavors in one go.

嗦勒完鸡架还意犹未尽?

Are you still craving more after licking the rack?

没事儿, 再嗦勒嗦勒手指头

No worries, (you can always) lick your fingers
